## Sargent County Museum Wish List for New Building

Here is your chance to purchase items that the museum will need for the new building going up now. If you would like to purchase an item, please email at ([sargentcountymuseum@yahoo.com](mailto:sargentcountymuseum@yahoo.com)) or call Pat at the museum 701-724-3194 so we can mark it off our wish list. Our list is getting shorter, thank you to those of you who have stepped up and helped us out!

Medium or heavy weight absorbent mat roll

30 in w by 150ft roll of medium or heavy weight absorbent mat roll (want to use under vehicles to keep floor clean). Can be found at Home Depot for \$149 a roll.

We are also looking for some black metal music stands that are not being used. They will become our easels. We will fix them if they do not move or if they always slide down.

Wire Rope, 1/16 Wire Rope, Stainless Steel 304 Wire Cable, 328FT Length Aircraft Cable with 100pcs Sleeves Stops, 7x7 Strand Core, 368 lbs Breaking Strength This pkg is on Amazon for \$20.99

The wire rope needed is to hang the Bobcat fabric from the ceiling to highlight the Bobcats. Also, will be needing 3/4 inch conduit for this project (27) 10 ft pieces needed.

We may have other items in the future coming up. Arrangements will be made for drop off when you contact us.

We are still \$60,000 away from our goal for the building as we would like to build it. You can send checks to 8034 Hwy 32, Gwinner, ND 58040 c/o Pat Olofson. We are a 501 c3 non-profit organization so we can give you a sheet to show you gave to us for your taxes.

All of this helps us reach our goal.

Thank You, Sargent County Historical Society

Sargent County Museum in Forman, ND announces what will be in new building.

Now to announce what will be on exhibit in the new building. We will be bringing back in all the newspaper equipment from the county that made it through the collapse. It will be in the NW corner where the cook car was. Most of the farm equipment the museum owned and a few items that are donated from the 1910 Titan to the 1960 small tractors will be in it.

We will no longer be telling the story of steam threshing days. We will now be telling the history and story of Melroe, Keller and now Bobcat. It has a strong history in Sargent County and North Dakota, and we will have the first complete story in this building. We plan to have STEM/ hands on stations throughout the building. We also plan on having our video stories back on three TV's in the building. You will have a chance to walk around some of the farm machines with an open plan layout. You will have an opportunity to take selfies with the machines. We also have in the works QR codes to scan to see more photos and info on items in the building. Our flip books will be back but nice and sleek looking in black metal on top of our black barrier stands complemented with black poly rope connecting them.

With the concrete floor and hopefully heating and whole house dehumidifier in it, we plan to have more school classes visit us and more group tours in it later in the Fall and be able to open early in the Spring. Buildings 1 & 2 are already climate controlled and able to be used all year round and we hope to get this building there to.

Mark **your** calendars to watch for an opening date in the Fall for the new building. If you can, follow us on Face Book since we will be posting what is going on at the museum. We will even be running some contests this summer. Keep an eye out for us to open up all the buildings this Fall and be better than ever! With your help we can and will do it!

**Summer hours for now: M – F 10 -4 starting the day after Memorial Day. Sundays 1-4 when we have volunteers to sit call the museum before coming on Sundays.**
