### **Museum Minute for June 6, 2025**

Yes, we are open for the 2025 summer season. We will again have regular hours of Monday – Friday 10-4. We are also looking at being open at other times. Email or call us and let us know if a certain week night works better for people or would you like open hours on Saturdays.

Email us at [sargentcountymuseum@yahoo.com](mailto:sargentcountymuseum@yahoo.com) or call us at the museum 701-724-3194. We are trying to get volunteers set up to open on Sundays again this year from 1-4 but at this writing we do not have anyone signed up. We will post on Face Book when we have special openings.

We do have all buildings open. But we do not have the log cabin open due to the decline in it. It has been decided that we will be taking it down this summer or fall. We will try to put as many of the items in the log cabin as we can in the other buildings but if your family has items in that building let us know if you would like them back.

The school house will be closed until we get concrete up to it again so that you can safely get into it. Even then you will not be able to get to it from the other buildings. It will be a walk around the grounds to it to get into it. So, it will not be handicapped accessible when it is done.

We are working hard to get phones back in all the buildings by July 1. We are also working with DRN to get internet into building #3 which is the new building. The new building is climate controlled just like buildings 1 & 2 so it is cooler in the summer and will be warmer in the fall and winter. This makes it nice to visit all the time. Remember once in the front building you can get to buildings 1-4 by hallways. We do have handicapped accessible bathrooms and the lighting in the buildings is just like your home. We are a wonderful place to visit for all ages.

Remember the new building houses the first ever Melroe Keller Bobcat Exhibit which has many examples of the changes in the Bobcat through the years. We also have a STEM play area in the new building and a place to sit down and chat for awhile or to have meetings or get together. We have had car clubs, tractor clubs and more use the space. Make your family visit to your local museum. The Sargent County Museum is located on the north end of Forman just look to the west when entering town. Come check us out!

**Attention! Local growers, bakers, artists, crafters & vendors!**

We have an exciting opportunity to host our very own farmers market in Forman! Our goal is to create a vibrant market where local vendors can sell their homemade goods, fresh produce, and specialty items!

We envision this market to be an event the entire family can come and enjoy!

We are considering potential dates to be Wednesdays in August!  
The market's time frame would be 4pm-7pm.
